

# Prayer to St. Margaret of Castello

O glorious St.  
Margaret of Castello,  
you were born blind  
and small in stature,  
rejected and hidden  
away, yet you turned  
your suffering into  
joyful trust in the Cross  
of Christ.

You lived with deep  
faith and total surrender  
to God's loving Providence.

Guide us by your example,  
strengthen us with your  
courage, and help us to  
find peace in God's will.

St. Margaret, pray for us and for all  
who feel forgotten or unseen.

Stay close to us and lead us safely home  
to the Father's embrace. Amen.
